

## **Illegal Measures by Canada**

By: Hannah Hadikin

Dear friends,

As you know, I have a great respect for Venezuela and its people, having spent time, initially at the 2015 World Social Forum, followed by time in 2016 & 2017, getting a chance to meet and know some wonderful folks.

It is very, very distressing that Canada's government is taking illegal measures to instigate a coup against a sovereign nation with a democratically elected President by the Venezuelan people.

The Canadian Voice of Women for Peace (VOW) has taken a strong position opposing Canada's stance. See this link.

I will appreciate it, if you would circulate to your friends and colleagues who you think may be interested. Thank you

In Solidarity
